## CHEER AGE REQUIREMENTS

### All Star Cheer Teams

The age of a competitor will be determined based on the date of birth falling during the "year of the competition." Example: A competitor who turns 14 up until December 31, 2017 will be eligible to compete in Open (14 years & over) Division.

The ages for 2017 teams competing for 2018 USASF Cheerleading Worlds Bids at Aussie Gold is one year lower (Exception: Senior Level 5) as they will be competing at Worlds the following year, which puts them in the correct age group ie.

- A competitor who turns 14 up until December 31, 2018 will be eligible to compete at the 2018 Worlds in an Open Level 5 Division.
- A competitor who turns 17 up until December 31, 2018 will be eligible to compete at the 2018 Worlds in an Open Level 6 Division.
- A competitor who turns 12 up until August 31, 2018 will be eligible to compete at the 2018 Worlds in Senior Level 5 Division.

Aussie Gold Cheer & Dance recognises the concern with fielding teams of a broad age range and highly recommends that individual gyms/programs be vigilant in monitoring participants of various ages on the same team and that, whenever possible, a team's composition is made up of participants of similar ages.

### Scholastic Teams

The age for School participants is based on the current school year level of the student.
